PAB # 394

DECO SPOTS AND LETTERS KIT PART NO. 93020-88

The above kit was sampled to our dealer network on September 15, 1988.

Contained in this kit is Hand Setting Tool P/N 93022-88. This tool is used for affixing Deco Spots, Jewels, and Deco Letters on leather jackets, gloves, caps, saddlebags, etc.

The tool is quite simple to operate. However, if you are experiencing difficulties when installing spots, jewels, or letters, here are some guidelines to follow:

THE BLADES OF THE TOOL ARE ADJUSTABLE TO THE WIDTH OF THE SPOTS TO BE SET. LOOSEN THE SCREW THAT HOLDS THE INSERT TO THE TOOL, PLACE THE BLADES INTO THE PROPER SLOTS AND RETIGHTEN THE SCREW.

EASILY WORK THE BLADES OR LIGHTLY TAP THE HANDLE TIP IN ORDER FOR THE BLADES TO PENETRATE THE MATERIAL. A HARD BLOW COULD BREAK A BLADE.

BEND THE SPOT PRONGS INWARD WITH A SUITABLE TOOL.
