Painted Parts Information

"Painted to Match" Tour Paks are now available for 1991 FLHS models. Each Tour Pak will come with the reinforcement plate installed along with the side light wiring harness. Holes for the Side Light Kit, part number 53457-79, will be drilled and the kit must be installed separately. No holes will be drilled for the antenna or backrest mounting. The part numbers for the Tour Paks are listed below.

		<u>Net</u>	<u>Retail</u>
53271-91VD	Black	\$181.97	\$279.95
53271-91JR	Bright Sapphire Metallic	\$181.97	\$279.95
53271-91UT	Bright Candy Ruby	\$214.47	\$329.95
53271-91JS	Wineberry Pearl	\$214.47	\$329.95

The 1990 Painted Parts List in the Dealer Accessory Guide has three corrections that should be noted.

1. The part number for the FXR Front Fender, Bright Candy Plum, should be 58998-88HN. Not 58970-87.
2. The pinstripe color on FXSTC Dark Candy Ruby Fuel Tanks and Fenders should be Pale Gold. Not Pale Gold and Red.
3. The pinstripe colors on XL1200 Bright Candy Ruby Fuel Tank should be Red and Bright Orange. Not Pale Gold and Red.
