## 1994 1340 REAR SPROCKET CHANGES

Due to a change in the primary drive ratio on 1994 1340 models some 1994 1340 models, International and U.S., have different rear drive sprockets.

As a result of this change the fitment of Chrome Sprocket Covers and Chrome Lower Belt Guards has changed for 1994 1340 models. The 1993 Dealer Show Order Book you recently received has incorrect fitments listed. **DO NOT place an order for 1340 Chrome Sprocket Covers or Dyna/Softail Chrome Lower Belt Guards in the 1993 Dealer Convention Ordering Book.** Please cross out the part numbers listed below in your order book to insure you do not order inventory you may not need. The affected part numbers are as follows:

P/N	Description	Order Page
40284-91&91A	Chrome Sprocket Cover 61-Tooth	98,109,124
91733-85&85A	Chrome Sprocket Cover W/Holes 70-Tooth	98,109,124
91740-87&87A	Chrome Sprocket Cover 70-Tooth	98,109,124
60366-89A	Softail Chrome Lower Belt Guard 70-Tooth	124
60394-90	Softail Chrome Lower Belt Guard 61-Tooth	124
60475-92	Dyna Glide Chrome Lower Belt Guard Cover 70-Tooth	96
60474-92	Dyna Glide Chrome Lower Belt Guard Cover 61-Tooth	96

Updated fitments and part numbers, for 1340 Chrome Sprocket Covers and Chrome Lower Belt Guards, will be hi-lited in the New Products Dealer Convention Order Book. Please wait until you receive the New Products Order Book to place an order for 1340 Chrome Sprocket covers and Chrome Lower Belt Guards.

Please stop by the Genuine Accessories Display, in Nashville, for complete information as well as assistance in placing an order for Chrome Belt Sprocket Covers, Chrome Lower Belt Guards and the complete line of existing and exciting "NEW" Genuine Accessories.
