Safety Recall Code 0125

August 02, 2006

## RECALL CODE 0125-2004/2005 XL883R/XL1200R MASTER CYLINDER

### Purpose

Harley-Davidson Motor Company, Inc. has learned that the front brake master cylinder on certain Sportster models has a defect that may allow the rear brake lamp to stay lit after the brake lever is released.

In the interest of motor vehicle safety and customer satisfaction, Harley-Davidson has elected to initiate a voluntary recall (Campaign 0125) to remedy this defect. As required by law, you may sell but NOT DELIVER any affected motorcycles to your customers until the recall is performed.

The purpose of this revision is to inform the dealer network that sealing washers (Part No. 41743-04) are now included in the new recall kit (Part No. 94480A). This change was made to reduce the ordering and inventory burden for the dealer network regarding the sealing washers needed to perform this service.

See **Required Dealer Action** to perform the recall service.

### Motorcycles Affected

This campaign involves all 2004 and 2005 Sportster XL883R and XL1200R models built from June 25, 2003 through June 3, 2005 and sold in the domestic and international markets, included on the attached VIN list.

### Customer Notification

In accordance with Federal regulations administrated by NHTSA, Harley-Davidson Motor Company, Inc. will provide notice to all owners of record of affected products with direction to bring the vehicle in for the recall service.

To protect the safety of our riders, it is our mutual responsibility to ensure the recall service is performed on all affected motorcycles. Therefore, we strongly urge you to perform the recall service even if the motorcycle was not purchased from your dealership.

You are also required to perform the recall service on all affected vehicles in your dealership inventory prior to delivering, renting or leasing those vehicles.

If you are not sure that a safety recall has been completed on a particular motorcycle, check the recall records available on TALON and h-dnet.com

### IMPORTANT NOTE

*Because only registered owners will receive notification from us, we request that you contact any owners of vehicles that your records show as unregistered. Advise them of the safety recall and make arrangements for them to come in for recall service. We also require that you provide us with their names, addresses and VINs as soon as possible to enable us to mail them an owner's letter, as required by the National Traffic and Motor Vehicle Safety Act (as amended).*

Initial shipments of replacement parts (Part No 94480A) will take place the week of July 10, 2006. Harley-Davidson's Warranty Department will conduct wave shipments of the recall kit until further notice. All parts kits will be shipped no charge, transportation paid, via UPS1.

### Order Additional Kits

If additional kits are needed, fill in the attached order form and fax it to the Warranty Department (414-343-8346). Be sure to include your dealer number on the form.

### NOTE

*No orders will be accepted prior to the termination of the wave shipments date. Orders received prior to termination of the wave shipments will be discarded.*

### Required Dealer Action

Using recall kit, rebuild front brake master cylinder according to the procedure in the attached instruction sheet -J02665.

### IMPORTANT NOTE

*It is very important to use only CCI #20 BRAKE GREASE (Part No. 42830-05) to lubricate master cylinder bores, pistons, and primary and secondary cups. Use only G40M BRAKE GREASE (Part No. 42820-04) to lubricate all other brake system components.*

### IMPORTANT NOTE

In the interest of preserving customer safety and satisfaction, always check for outstanding recalls whenever any motorcycle is brought into your dealership for either maintenance or service.

All goods covered by this order, including goods back-ordered, will be billed at prices current at the time of shipment. Goods are purchased for resale and delivery is made to purchaser's O.B. factory, Milwaukee, Wisconsin or other point of origin. If accepted, this order as accepted shall be subject to availability of goods to seller for delivery to purchaser. Any delay in shipment shall not relieve purchaser of responsibility for his accepted order and seller shall not be liable for any loss or damage due to delay in shipment or failure to deliver. Any request for cancellation of this order or any part thereof must be received by seller prior to the date of shipment, and in case of reconsignment or return of goods to seller, purchaser shall pay the entire cost connected therewith, plus zero, ten or twenty-five percent of selling price, as determined by Company policy from time to time, as liquidated damages for loss of sale. Purchaser will be responsible for collection and payment of all Federal, State and local taxes that apply on the retail sales.

## **Credit Procedure—U.S. Market**

Complete a Dealer Service Card for each vehicle serviced. Be sure to list the Safety Recall Code 0125 on the card. Place a "C" in the letter box. Send the properly completed cards to:

**Harley-Davidson Motor Company**

**P.O. Box 653**

**Milwaukee, WI. 53201-9442**

Mail all cards for completed repairs promptly.

Upon receipt of the completed Dealer Service Cards, you will be credited 0.8 hours labor which includes the cost of materials/supplies (brake fluid) and 0.1 hour administrative time. No credit will be issued for parts as they were sent no charge, transportation paid.

## **Credit Procedure—Non-U.S. Market**

For each vehicle serviced, file a claim supplying all the necessary information as follows:

Dealer number

Repair order number

Claim date

Product campaign (0125)

Fix ID ("C")

Full 17-character VIN

Upon receipt and processing of the transmitted information, you will receive appropriate labor credit for your market: 0.7 hours labor which includes materials/supplies (brake fluid) plus appropriate market administrative time.
