ITEM	PART NO.	QTY
Rear stop light switch	*72016-06A	1
*non-sold part number		

Ordering Information: Non-U.S. Market

Contact your local Harley-Davidson service area representative for authorization, ordering and return instructions.

Required Dealer Action

▲ WARNING

When any hydraulic brake component, line or connection is loosened or replaced on an ABS motorcycle, Digital Technician II must be used during the brake bleeding procedure to verify all air is removed from the system. Failure to properly bleed the brake system could adversely affect braking, which could result in death or serious injury. (00585c)

NOTE

- **NO DIAGNOSTICS REQUIRED.**
- *Digital Technician II (Part No. HD-48650/Version 5.002.0000) implemented a change to the ABS Service Procedure which will allow you to perform this function on the front or rear system individually. Verify Digital Technician II has Version 5.002.0000 installed.*
- **Part number 72023-51D can and may be used in applications other than 2009 and later Touring and Trike family motorcycles.**

1. Confirm motorcycle is involved and program is "open".

NOTE

Do not use a shallow socket to install the switch. Switch terminal damage may result.

2. Replace the switch. See the service manual for the latest procedure and specification.

Upon completion of the safety recall on any vehicle, please be certain to follow the instructions listed under the appropriate Credit Procedure and submit your safety recall claims promptly.

Credit Procedure:

Talon/h-dnet.com/Lightspeed Warranty Claim Users (Non-ABS Systems)

For each **Non-ABS** model serviced, complete an electronic warranty claim referencing this service bulletin number. Fill in the rest of the claim as follows:

Part Return Information: U.S. Markets

Upon submitting a properly completed recall claim, you will be credited for labor time for performing the safety recall procedure. Credit for the kits is not issued as they are sent free-of-charge to the dealers. Hold all replaced parts for 60 days from date of credit issued for possible field inspection and/or request to return to factory. After 60 days, destroy and discard the parts.

Part Return Information: Non-U.S. Markets
