Screamin' Eagle Parts Information

Screamin' Eagle parts are now being shown in a separate catalog and will no longer be included in the Genuine Motor Accessories and Motor Parts catalog. Look for the Screamin' Eagle Pro Racing Parts catalog available now. If you need information on the latest new items the catalog is also available Online at:

www.harley-davidson.com/EX/RAC/seagle/en/seagleparts.asp?

The screenshot shows a dark-themed website banner. At the top, it reads "COMPETITION AND PERFORMANCE PARTS FOR HARLEY DAVIDSON® MOTORCYCLES". Below this, there is a section titled "DOWNLOAD THE SCREAMIN' EAGLE PRO RACING PARTS CATALOG – 5.5 MB PDF" with a small image of a motorcycle. Below the title, it says "Screamin' Eagle® Pro Racing products are intended for racing applications only. Please refer to the Screamin' Eagle Pro Racing information section of the catalog for more details." At the bottom of the banner, it says "DOWNLOAD THE CATALOG IN FIVE SMALLER PARTS". A red oval highlights the download link area.

Calibration Information

Stock and Performance calibration information has been relocated from the "Tech Tips Online" link to a separate Link on h-dnet. You will see the link listed on the left side of the Service menu just above "Browse Online Documents".

The screenshot shows the H-DNET.COM website header with the Harley-Davidson logo and the text "H-DNET.COM". Below the header, there is a navigation bar with "BUELL DEALER OPS H.D.I.". The main content area is titled "SERVICE CONTENTS" and lists several links: "Service Information Menu", "Calibration Information", "Browse Online Documents", "Search for Instruction Sheets", "Search for Service Information", and "Service and Parts Literature". A red arrow points from the word "Service" in a large font to the "Calibration Information" link. Below the arrow, the word "Calibrations" is written in red. To the right, there is a text box that says "Click here to Se Service Bulletins and download fo". At the bottom left, there is a link for "2004 Model Year Technical Forum".
