

TT283 – January 9, 2007

Buell Ulysses P&A Top Case (92030-05Y)

The latch mechanism for this top case can now be ordered separately. The part number is 90110-06Y and the instruction sheet is number J04309. If you need a latch mechanism for the side cases please refer to Tech Tip # 255.

NOTE:

Any top or side case that is returned for a broken latch mechanism will be sent back to the dealer as this condition should be repaired.
