

TT298 – March 16, 2007

1990 FLSTF Yellow Rocker Cover Spacers

The yellow rocker cover spacer (part # 17539-90) that was used on this model is obsolete and no longer available. Please be aware that if you send an engine in to be remanufactured that has these yellow spacers you will get an engine back with chrome spacers. Please inform your dealership personnel of this so they may inform the customer before the engine is sent in.
