

Screamin' Eagle Pro Twin Cam Cylinder Head Fitment on 2008 Touring Models

The 2008 Screamin' Eagle Pro Racing Parts catalog incorrectly lists, on page 47, the fitment on two styles of Twin Cam cylinder heads. Due to the changes in 2008 Touring model front cylinder head engine mounts, the following parts will **NOT** fit 2008 Touring Models.

Black Highlighted - 16925-02B 17071-03B
Silver Highlighted - 16934-02B 17072-03B

Fits: 1999 - 2008 Dyna and Softail models, 1999 - 2007 Touring models.

↑ **DO NOT FIT 2008 TOURING** ↑

While there are currently no plans to update the fitment on the above heads to include 2008 Touring models, below are listed three styles of cylinder head that *do* include fitment on 2008 Touring models.

- Also found in the 2008 SE Pro catalog on pages 46 and 47 are two styles of cylinder head that will fit ALL 2007-2008 Twin Cam models.

Black Highlighted - 17071-08 17165-08
Silver Highlighted - 17072-08 17166-08

Fits: 2007 – 2008 Twin Cam models.

- On page 48 you will find one style of Twin Cam cylinder heads that fits ALL 1999-2008 Twin Cam models.

Black Highlighted – 16952-08
Silver Highlighted – 16953-08

Fits 1999 – 2008 Twin Cam models.

NOTE: Pages 49 – 52 list the correct pistons to be used with the above Cylinder heads. As always, remember these are individual components and not kits, and checking clearances is up to the engine builder.
