

2008 Peace Officer/Firefighter Special Fuel Tank Medallions

2008 Peace Officer and Firefighter Special Edition Motorcycles have begun arriving at dealers. These Special Edition Models have new fuel tank emblems.

The fuel tank medallions for all Special Edition Models will ship with a non-specific medallion, which reads MOTOR and CYCLES above and below HARLEY-DAVIDSON.

Specific inserts will also be shipped with each motorcycle and will need to be applied by hand at the dealer prior to delivery. The inserts are shipped in clear bags and located as follows:

FLSTF- tie wrapped to the handlebar cradle
FLSTC- tie wrapped to the handlebar
FLT (all models) - in the saddlebag

They are peel and stick inserts that can be applied by hand, at room temperature (should not be cold) and pressed on with fingers.

The medallions and inserts are restricted, but can be obtained if they are lost or damaged.

Part Numbers are:
