Kit Number 60348-65B

## DRAIN PLUG KIT

### General

This kit is designed for installation on FL, FX and XL model vehicles.

This kit contains the following components:

QTY	DESCRIPTION
1	Plug
1	Washer
1	O-ring

### Installation

#### NOTE

*Some motorcycles use a washer and some motorcycles use an O-ring as a method of sealing the drain plug. Observe what is removed from your motorcycle and use the same seal (O-ring or washer) for your particular application.*

1. Coat the drain plug threads with ANTI-SEIZE.
2. Install either the O-ring or washer (see "NOTE" above) onto the drain plug. Use only the sealing method that was originally removed from motorcycle.
3. Install drain plug and tighten to 12-20 ft-lbs.
