## HALOGEN HEADLAMP/BULB

This instruction sheet applies to these parts:

|          |                |
|----------|----------------|
| 67697-81 | Halogen bulb   |
| 67735-81 | 5-3/4 in. lamp |
| 67755-81 | 7 in. lamp     |

When installing or servicing these parts, refer to the latest applicable Service Manual for replacement procedure and observe the following warning and caution.

### **CAUTION**

Never touch the quartz glass bulb with your fingers. Finger prints will etch the glass and cause the bulb to fail. Always wrap the bulb in paper or a clean dry cloth while handling.

### **WARNING**

The bulb contains halogen gas under pressure. Handle bulb carefully and wear eye protection to avoid possible personal injury.
