

# INSTRUCTIONS

-J00636

REV. 7-30-96

Kit Number 62475-94A

## OIL TANK ASSEMBLY

### General

This kit is designed for installation on 1994 and later XL vehicles.

#### Kit contents:

1	Cable strap	10006
1	Oil tank assembly	62475-97A
1	Heat shield	63576-95

### Installation

1. See Figure 1. The heat shield should be installed on all 1994-1996 XL motorcycles. Trim heat shield to the proper length and place over the drain/feed hose.
2. The cable strap should be used, if necessary, to hold down the wire harness.
