REV. 11-20-01

Kit Number 94836-02

100TH ANNIVERSARY SISSYBAR FLAG-MOUNTING KIT

General

This kit fits all motorcycle models equipped with a sissybar. This kit does not fit mini sissybars 51512-02, 51511-02, 52764-90, 52744-94 or 52513-94.

NOTE

Flags are not intended for highway use. The construction of these flags will not hold up to the wind speeds seen at highway speeds. These flags are designed for parade use only.

Kit contents

Description (Qty)	Part Number
Cable strap (4)	10006
Flag mast	Not sold separately
Flag mast retainer	Not sold separately
Flag	Not sold separately

Installation

1. Remove the sissy bar pad if necessary.
2. See Figure 1. Hold the flag mast in position against the sissy bar.
3. Fasten two cable straps as shown, with the latch-ends of the cable straps against the inside of the flag mast.
4. Pull the cable straps as snug as possible to secure the flag mast to the sissy bar, then trim the cable-strap ends.

NOTE

Only two tie wraps are required to secure the flag mast. Fasten one cable strap through every other hole.
